

3<sup>rd</sup> July 2018

## *Foundation 2 Trip*

Just to remind you that children must come to school tomorrow with suncream already applied. They may bring the suncream with them to reapply throughout the day if needed.

They will also require a water bottle as well as their lunchtime drink and a sun hat. These are control measures to be used in hot weather.

If your child is not prepared, they may not be able to attend.

Children will be leaving New Brighton at 1.30pm

Thank you
