**Executive Headteacher – Mr M J Forber**

Dear Parents and Carers

## **Working from home.**

If your child is self-isolating for 14 days but is well enough to complete some learning activities here are some suggestions for learning activities. One of the most important learning activities would be to continue to read each and every day. We suggest chunking up the time your child has in the day and focussing on short spells of learning for any activity.

Work packs and/or online resources are currently being prepared by the teaching staff from each year group to be sent home, obviously their priority remains teaching the children in school at this time.

- Purple mash <https://static.purplemash.com/login/> Your child will need to find the school login page and then log in with their individual log in.
- Spelling Shed <https://www.spellingshed.com/en-gb>
- Classroom Magazines <https://classroommagazines.scholastic.com/support/learnathome.html>
- Times Tables Rockstars <https://ttrockstars.com/>
- Numbots (F2/KS1) <https://play.numbots.com/#/intro>
- First 4 Maths <http://www.first4maths.co.uk/shop/>
- Nessy (for specific children who usually access this resource at Somerville) <https://learn.nessy.com/account/login#/accountLogin>
- White Rose website <https://whiterosemaths.com/>
- Read Theory ([www.readtheory.org](http://www.readtheory.org))
- Other online resources <http://www.amazingeducationalresources.com/>
- SMART learning suite. <https://www.smarttech.com/products/education-software/smart-learning-suite>

**Further updates can also be found on the school website, click on the PARENTS tab, scroll to the bottom of the list on this tab and then click on WORKING FROM HOME.**

With regards

Mr M J Forber
