## Covid-19 Behaviour Policy Appendix 2020

At Somerville Federation we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other.

This appendix is to be used in conjunction with and alongside our full Behaviour Policy and our Home-School Agreement (Covid-19)

The rationale behind its creation is to ensure that the pupils, staff and wider school community act in a manner that fully supports the very necessary safety measures that have been put in place during the Covid-19 pandemic.

Some behaviour concerns referred to in this appendix may previously have been deemed as less serious however if an action now results in the potential compromising of a person's ability to socially distance and stay safe, it will now hold consequences.
