AIMING HIGH TOGETHER

SUBJECT REVIEWS

Subject leaders with the EXEC team have started their subject reviews. So far we have looked at history, geography, writing, art, PSHE, PE and mathematics. In these reviews we look at children's books and talk to the children about their learning. The children who have shared their learning with leaders spoke about how much they enjoyed their learning, what learning they are most proud of and they were able to articulate what they have been learning since September in these areas. It has been lovely hearing the children talk so enthusiastically about school.

KINBALL

A few Year 5 pupils got to experience a new sport, Kinball. If you haven't heard of it, check it out on YouTube.

The children were quite apprehensive at first, but once they started playing they really began to show their teamwork and intelligence in the games.

Even though it was an introduction to Kinball, they played 7 knockout games with 5 other schools and got to the final two in every single game.

CHINESE NEW YEAR

Our reception classes had a fabulous talk about Chinese New Year from Mr Li, one our parents. We would like to thank him for his time and the fortune cookies!

We wish all of our Chinese community a happy new year
