

Useful Websites for Maths

Numberblocks

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

This is a great website for children in F2 and Year 1 to access.

There are some games for the children to play and episodes from their popular t.v series which will help to develop children's number sense.

Numbots

<https://numbots.com/>

KS1 children have an individual login for this website.

Accessing this game helps children develop their speed in recalling number bonds.

Times Table Rock Stars

<https://trockstars.com/>

Children in Y2-Y6 have an individual login for this website.

Accessing this game helps children develop their speed in recalling their times tables and related facts.

Hit the button

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All children can access this website.

When on the website select an aspect that they wish to practice and play the associated games. If you are unsure about which aspects your child should access please speak to their class teacher.

BBC BITESIZE
