**AIMING HIGH TOGETHER**

## WELL DONE YEAR 6

We would like to say a huge well done to all of our Year 6 children who have taken their SATs tests this week. They have tried their very best all week. We also recognise that although their SATs are important we see the diverse range of skills and talents of each and every child. Each and every one of them should be as proud of their achievements this week as we are. We do hope they enjoyed their treat this afternoon from the ice-cream van that visited school.

## EUREKA

Last Thursday a small group of Year 3 and 4 children had a fabulous morning at the Eureka Science and Discovery centre. The children had a wonderful time and enjoyed lots of practical activities in the Nature, Human body and Home rooms. We would like to thank Eureka for the excellent experience.

### Dates for you Diary

#### Friday 26th May

School closes for half term at 3.20pm

#### Monday 5th June

School closed for inset day

#### Tuesday 6th June

School opens for pupils

#### Wednesday 19th July

Last day of school for pupils

**ATTENDANCE MATTERS.**  
ALL DAY, EVERY DAY

## RECEPTION OUTDOOR AREA

Over the past few weeks you may have noticed building work going on outside of our reception classrooms. The work is now nearly complete. Our reception children now and in the years to come will have access to exciting new 'learning through play areas'. We have a woodwork area in which children will be able to use saws to cut wood to build models (under supervision). They now have large easels for children to develop and unleash their creativity. There is also a new large water wall for children to develop their problem solving skills. When the other areas are finished we will post more photographs.

## YEAR 3 BUDDHIST CENTRE TRIP

On Friday 5th May, Year 3 visited the Kailash Buddhist Centre. They were greeted by residents of the centre and told to remove their shoes before heading into the meditation room to learn more about Buddhism. The room contained a shrine, filled with important golden statues. The children found out about the importance of the different statues and enjoyed learning about the Buddhist faith.

As part of the Wirral Agreed syllabus for religious education our children learn about all the major world religions and we try to visit a place of worship for each one so the children can gain a greater understanding of each one. We thank the Kailash Buddhist Centre for their

## CORONATION CELEBRATION

Last Friday we celebrated the coronation of the new KING by way of a picnic and Brit disco. Unfortunately, the weather decided to throw a spanner in the works and it poured down over lunchtime and we could not go outside. This did not dampen our spirits and we brought the party inside. Each class picnicked in their classroom together and year groups were given slots in the hall to DISCO. A good time was had by all!
