AIMING HIGH TOGETHER

YEAR 5 TRIP TO CADBURY'S WORLD

On Monday of this week Year 5 came into school early ready for their trip to Cadbury's World, Birmingham. The trip allowed the children to discover where chocolate originated from, in preparation for starting their history study of The Mayan Civilisation. They were wonderfully behaved, as always, and had a fabulous time. They also enjoyed their free chocolate! A big thank you to the teachers for organising such an exciting trip. Year 5 have certainly been out on their travels this year!

CORONATION CELEBRATION

On FRIDAY 5th MAY we will be celebrating the coronation of King Charles III. This is the first time many of us will have witnessed the coronation of a monarch. The event will be an occasion that will be very much part of British history. The children

really enjoyed the celebration we held for the Queen Elizabeth's 70th jubilee in the summer so our coronation celebration will be very similar. The day will start with an assembly and then at lunch time we will have a coronation picnic outside, all of us together. Those children who have school dinners will have a picnic lunch provided. There will be no other options available that day. All children will eat together as a class. This will then be followed by a disco of BRITISH pop classics. Our children do love a good boogie!

We invite our school community to wear red, white and / or blue on the day.

SCHOOL CLUBS – SCHOLAR PACK

This term we have less school clubs on offer than we have had previously. This is due to having less TA's available to do them.

This may mean not every child will get a place in a club this time around. If a club is over subscribed, we will be pulling names out of a hat. If a club is oversubscribed and there are places in another club we will offer the child a place in the under subscribed club. To return the club slip you will need to fill in the Google form that will be sent to all families. Keep an eye on the closing date as no applications for clubs can be accepted after this.

We are moving towards being a paperless communication school. Please ensure that your phone number and email addresses are up to date at all times or you miss out on crucial information via the Scholar Pack app.

ATTENDANCE

Attendance is improving every week and we are seeing a direct improvement in the work from the children who are now coming in every day. Please remember that all schools have to inform the Local Authority of any unauthorised holidays taken. This includes holidays that have been applied for and also holidays taken when families have not informed school. Over the summer term we will be conducting home visits if a holiday is suspected. Please remember if you have received attendance letters from school all absence is unauthorised unless evidence is provided. Ten unauthorised absences have to be reported in to the Local Authority and they may

EID MUBARAK

We would wish all of our Muslim community a very happy Eid celebration. We hope you have a fabulous time with your families and friends. Enjoy your special weekend.
