

Friday 18th May

Dear Parents/Carers of Children in Year 6

Just a reminder that we are going to the field in the morning for some fun, so please ensure your child is dressed appropriately in red/white and blue clothing and sensible footwear like trainers. Please remember to bring a sun hat and apply suncream before school.

Children must have a filled water bottle [no juice please] and they will return to school in time for normal lunchtime arrangements.

Children will also be required to bring in their party food for the afternoon.

Thank you for your continuing support.

Yours sincerely

Year 6 Team
