AIMING HIGH TOGETHER

RESIDENTIAL YEAR 4

This week children from Year 4 attended their annual residential. They went to Tattenhall Centre in Cheshire. The weather was glorious! The children took part in zip lining, pond dipping, orienteering and jungle skills, setting up hammocks and creating a water proof shelter around them. The children then climbed in their hammocks and shelter whilst the grown ups threw buckets of water over them to see how well they worked. The evening was spent on the play equipment, climbing walls and a game of rounders.

The children were very well behaved, polite and just lived their best life! The boys camp got themselves up and by 6.15 am had got themselves dressed, packed their bags, stripped their beds and were ready to start their day by 6.15am. Mrs Parry had to pop the kettle on quickly, throw her boots on and was out in the play area with them and the football by 7.00am. The girls camp decided to give themselves an extra hour in bed and relax. All of the staff said the children were such good company and fun to be with. We would like to thank all of the staff who gave up time away from their own families to make this trip possible for the children. Without their commitment we would not be able to offer these opportunities.

SPORTS DAY RESCHEDULED

Due to previous bad weather we have had to reschedule sports day for a few year groups to the following dates. We scheduled the initial dates earlier this year to allow for inclement weather and to be able to offer a second set of dates if needed.

The new dates are:

Monday 24th June: Year 1 and F2 9:15-10:30, Year 2 10:45-12:00,

Tuesday 25th June: Year 3 9:15-10:30, Year 4 10:45-12:00

We look forward to seeing you then.

NO DOGS ON THE SCHOOL YARD

This is a polite reminder that dogs of any size, on a lead, held in arms etc are not allowed on the school yard or premises at any time of the day. Thank you for your cooperation.

WELLBEING AMBASSADORS

Today, Miss Cooper took the Wellbeing Ambassadors to a wellbeing ambassador celebration at the Floral Pavilion. We came together to celebrate all the good work we have done through the school. The children did us proud and did a PowerPoint presentation to showcase what we do at Somerville, and they did it in front of dozens of other local schools. We also joined in some be active games, connecting activities and mindfulness.
