AIMING HIGH TOGETHER

YEAR 6 SATS

Well done to each and everyone of our year 6 pupils who did their SATs this week. They were so well-behaved during each test and worked so hard—we know that you are as proud of them as we are. As a treat, today they have been bowling and laser quest as well as enjoying time chilling. Although the hard work is over, we will still be working hard in our lessons so that we can get the children secondary school ready.

F2 BOOKS TO BEDTIME

Parents children and staff enjoyed their first 'books for bedtime' event, after a brief presentation on the importance of bed time reading, the children got to explore the classrooms which were transformed into cosy, snug reading areas, before listening to

a bed time story from their teacher with a hot chocolate. Thanks to everybody who attended.

PARENT GOVERNOR

Letters were sent out last Friday for Parent Governor nominations. The deadline is Friday 27th May so if there is someone you think would make a good governor - get those nominations in!

Please ensure all appointments during this time are not in school hours.

PARKING BY THE SCHOOL

We appreciate that drop offs and pick ups can be quite difficult during busy times, but we have had a few complaints from unhappy residents about parking. If we could please be mindful about residents when dropping off and collecting children please.

HOOVES FOR HEALING

Hooves for Healing is a therapeutic Equestrian service that provides emotional support for children. It helps with behaviour and emotional well being, the Beehive pastoral team take the children weekly and have seen huge benefits for children over the spring/summer term.

ECO COMMITTEE UPDATE

Last term, we put together our action plan and subsequently decided that we needed to make changes to the way we dispose of our rubbish. Since then, we have had paper recycling bins added to each class room which are emptied weekly with help of designated Upper Key Stage 2 pupils. It's been great to see the children recycling and making more eco conscious decisions with their waste, it would be great for this to be encouraged at home too.

BOOK AMNESTY

Thank you to everyone who returned reading books after our request last week. Please continue checking for any school reading books you may have, especially Read Write Inc books. Lots of children have not returned paper copies of their books and the stocks are running low. Each summer we have to spend hundreds of pounds replacing them so if you have any books, please can you return to school. Thank you.
