### Staffing changes

Miss Houghton will sadly be leaving us in the summer and we are sure that you will join us in wishing her every success in her new job.

### Summer update

It has been another busy year at the nursery, with routines returning to normality following the Covid pandemic. We have been able to resume parent sessions, including: PEEP Little Explorers; Play, Learn and Grow Together; and face-to-face parent meetings. We have also had visitors to the setting, including The Creepy Crawly Show and Freckles the entertainer. This term F1 had a trip to Chester Zoo which was enjoyed by everyone who went.

We continue to do our utmost to support our children and families and hope that 2022-23 will be an exciting and successful year!

To those children who are transitioning to new schools we would like to wish you all the best as you start the next stage of your education. Please rest assured that transition meetings have been held with receiving schools which should help staff to support your child as they settle into their new environment in September.

We look forward to seeing the rest of our children in September along with some new faces!

Thank you for your support this year – have a safe and happy summer break!

Kind regards,

Mrs Booth and all the staff at Somerville Nursery School.
